

Publication of Student Names, Photographs, Videos or Works

As a way to share positive news with our Fremont School District 79 community, your child may be photographed or videotaped during classroom or extracurricular activities or otherwise on school grounds or at school-sponsored events for instructional, educational, informational or publicity purposes. The identifiable names, voice, image, works, photographs and/or videos of students may be used in various District 79 or District-related publications, including and without limitation -- the District 79 website, District 79 Twitter account, District 79 Facebook page, District 79 YouTube site, news releases, television productions, newsletters, school yearbooks, school newsletters and public newspapers, as well as presentations at professional conferences and Board of Education meetings. As would be the case in print publications, the District may publish full student names on its website or social media sites. Pictures of students published on these Internet sites would not identify students by name. Students' names associated with photos may appear in electronic newsletters that are emailed to parents and staff as well as posted on the district website. This information shall not be used for paid commercial purposes. Release or publication of such student information will also be consistent with the Illinois School Student Records Act and the Family Educational Rights and Privacy Act.

Please note that it may not be possible for District 79 staff to always identify all students in the background of photographs or videos.

District 79 has no ability to restrict the use of student images where it is obtained at an event open to the public and placed on a medium that is not sponsored by District 79 (e.g., a photograph taken by a journalist and published in the local newspaper). Furthermore media companies may also post pictures, videos, and stories featuring our students on their websites.

Should a parent want their child's name or photo withheld from any of the above mentioned sources, the parent should fill out and turn in to their child's principal a Non-Consent Publicity Release and Waiver Form.
