

COVID Mitigation Plans for 2022-2023

Health and Wellness Practices 2022-2023

- Students and staff who are feeling ill, should stay at home
- Ill students return to school when feeling better and:
 - Fever Free for 24 hours without fever reducing medication
 - No diarrhea or vomiting in the previous 24 hours
- Follow IDPH guidelines for required days absent for illnesses including 5 days for a positive covid test
- Notify the school nurse of illnesses per IDPH guidelines including a positive covid test
- Proper hand hygiene techniques.
- Sanitation stations provided in high touch areas.
- School facilities will be cleaned, sanitized, and disinfected daily.
- School daytime cleaning crews will disinfect high touch points throughout the day.
- Air quality will be promoted with air purges and fresh air intake weather permitting and use of portable air purifiers
- Areas where students consume meals will be thoroughly cleaned and disinfected between groups and after meals.
- School activities, including athletics, field trips, and other extracurricular activities that take place outside of the District, will comply with the host's mitigation procedures.
