

Each year, Fremont School District receives federal funding through a Title 1 grant. This grant helps the district fund reading and other programs. As parents it is important that you know Fremont strives to hire teachers who are highly qualified. Should your teacher not be highly qualified, you will receive a letter in the mail. If, at any time, you have questions about an individual teacher's certification, please call Dr. Elizabeth Freeman, Director of Innovative Learning, Teaching and Technologies at (847)388-3700 extension 3141.
